

Ibeh Esther Ifeoma

08113325881 | taiwoibeh@gmail.com | Lagos State, Nigeria

Professional Summary

Junior Frontend Developer with strong foundational skills in HTML, CSS, and JavaScript. Experienced in building responsive web applications and interactive projects using APIs and modern frontend practices. Comfortable using GitHub for version control and WSL terminal for development workflows. Passionate about continuous learning and creating user-friendly web experiences.

Technical Skills

- HTML
- CSS
- JavaScript
- GitHub
- WSL Terminal
- API Integration
- Responsive Web Design

Projects

Quote Generator: Built a quote generator application using APIs to fetch and display dynamic quotes.

Craps Game: Developed an interactive browser-based craps game using JavaScript.

BMI Calculator: Built a BMI calculator application with responsive frontend design that calculates the users body mass index then gives the weight status.

Weather App: Built a weather app that allows the user search in locations and get the weather updates for the day and 5 day forecast. This project integrates API and has modern designs and animations.

Certification

JavaScript Course Completion Certificate — Mimo
